PROXY STATEMENT
2006 ANNUAL MEETING OF STOCKHOLDERS

To be held on November 22, 2006

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Integrated BioPharma, Inc. (“INB” or the “Company”), a Delaware corporation, to be voted at the 2006 Annual Meeting of Stockholders of the Company (the “Annual Meeting”) to be held at the Company’s Executive Offices, 225 Long Avenue, Hillside, New Jersey 07205 on November 22, 2006, at 9:00 a.m. local time, or at any postponement or adjournment thereof. This Proxy Statement, the Notice of Annual Meeting and the accompanying form of proxy are first being mailed to stockholders on or about November 6, 2006.

Only holders of record of the Company’s common stock, par value \$.002 per share (“Common Stock”), at the close of business on October 30, 2006 (the “Record Date”), are entitled to vote on the matters to be presented at the Annual Meeting. The number of shares of Common Stock outstanding on such date and entitled to vote was 13,537,419.

Holders of Common Stock are entitled to one vote on each matter to be voted upon by the stockholders at the Annual Meeting for each share held.

At the Annual Meeting, stockholders will be asked to consider and vote upon proposals: (1) to elect three Class I directors for a three year term to serve until the 2009 Annual Meeting of Stockholders (the “Director Proposal”) and (2) to ratify the appointment of Amper, Politziner, & Mattia, P.C., as INB’s independent auditors for the fiscal year ending June 30, 2007 (the “Independent Auditors Proposal”). At the Annual Meeting, stockholders may also be asked to consider and take action with respect to such other matters as may properly come before the Annual Meeting.

QUORUM AND VOTE REQUIREMENTS

The presence, in person or by proxy, of holders of record of a majority of the shares of Common Stock issued and outstanding and entitled to vote is required for a quorum to transact business at the Annual Meeting, but if a quorum should not be present, the Annual Meeting may be adjourned from time to time until a quorum is obtained. Directors are elected by a plurality of votes cast. The Director Proposal and the Independent Auditors Proposal and all other matters to properly come before the Annual Meeting will be determined by the affirmative vote of the holders of a majority of the shares of Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting. Broker “non-votes” (i.e. proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) and shares for which duly executed proxies have been received but with respect to which holders of shares have abstained from voting will be treated as present for purposes of determining the presence of a quorum at the Annual Meeting. Abstentions and

broker non-votes have no impact on the election of directors except to reduce the number of votes for the nominees. With respect to all other proposals, broker non-votes are not counted as votes and, therefore, will not be included in vote totals and abstentions will have the effect of a negative vote against such other proposals.

SOLICITATION AND REVOCATION

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, AND ON BEHALF OF, THE BOARD OF DIRECTORS. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD OF DIRECTORS.

All Common Stock represented by properly executed proxies which are returned and not revoked prior to the time of the Annual Meeting will be voted in accordance with the instructions, if any, given thereon. If no instructions are provided in an executed proxy, it will be voted (1) **FOR** the Director Proposal; (2) **FOR** the Independent Auditors Proposal, and in accordance with the proxy holder's discretion as to any other business raised at the Annual Meeting. Any stockholder who executes a proxy may revoke it at any time before it is voted by delivering to the Company a written statement revoking such proxy, by executing and delivering a later dated proxy, or by voting in person at the Annual Meeting. Attendance at the Annual Meeting by a stockholder who has executed and delivered a proxy to the Company shall not in and of itself constitute a revocation of such proxy.

The Company will bear its own cost for the solicitation of proxies. Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers, and employees of the Company personally, by telephone, or otherwise, but any such person will not be specifically compensated for such services. The Company also intends to make, through banks, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Stock. Upon request, the Company will reimburse brokers, dealers, banks and similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of Common Stock which such persons hold of record.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Company's Board of Directors is currently composed of ten (10) directors divided into three classes of directors serving staggered 3-year terms.

Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated proxy will be voted FOR the election of the nominees, unless the proxy contains contrary instructions. The Board of Directors knows of no reason why any of its nominees will be unable or will refuse to accept election. If any nominee becomes unable or refuses to accept election, the Board of Directors will either reduce the

number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, proxies will be voted in favor of such nominee.

DIRECTORS

The Board of Directors held three meetings during the fiscal year ended June 30, 2006. All directors attended at least 67% of the meetings of the Board and one member of the audit committee was unable to attend all such committee meetings held during the fiscal year ended June 30, 2006 on which he or she served.

For the fiscal year ended June 30, 2006, each independent Director who was a Director as of the beginning of the fiscal year was granted 25,000 options (an aggregate of 75,000 options) under the Company's 2001 Stock Option Plan, with an exercise price of \$3.99 which represents the fair market value of the shares of common stock as of the grant date. Each option vest one year from the date of grant and will expire in ten years from the date of grant. No compensation was paid to any director for his or her services to the Board of Directors or any committee who was also an officer and/or significant shareholder. The only standing committee of the Board of Directors is the Audit Committee, whose members are Messrs. Canarick, Chang, and Kraljevic and Dr. Yusibov. The Audit Committee periodically consults with the Company's management and independent public accountants on financial matters, including the Company's internal financial controls and procedures. The Audit Committee met four times in Fiscal 2006 and two-thirds of the members attended all the meetings. Dr. Yusibov attended all the meetings that were held subsequent to his appointment to the Audit Committee.

The Company does not have a standing nominating committee or compensation committee. With respect to nominating and compensation matters, the entire Board performs these functions. At such time, if any, as the Board composition changes or the Board otherwise deems appropriate, the Company may establish a separate nominating committee or compensation committee. As a result, the entire Board participates in the consideration of Board nominees and nominated the candidates for election named in this Proxy Statement.

The Company has determined that due to the beneficial ownership by E. Gerald Kay and certain of his family members of greater than 50% of the Common Stock of the Company outstanding as of October 10, 2006, the Company is a "controlled company" as defined in the American Stock Exchange listing standards. As such, the Company is exempt from certain requirements of the American Stock Exchange listing standards, including the requirement to maintain a majority of independent directors on the Company's Board of Directors and the requirements regarding the determination of compensation of executive officers and the nomination of directors by independent directors.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company (the "Audit Committee") is composed of four (4) directors. Each of the four members of the committee are independent. The Board of Directors has adopted an Audit Committee Charter. Management is responsible for the Company's internal control and financial reporting process. The Company's independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with Management and the Company's independent public accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with Management and the Company's independent public accountants. The Audit Committee discussed with the independent public accountants matters required to be discussed by Statement of Auditing Standards Numbers 90 and 61 (communication with Audit Committees). The Company's independent public accountants also provided to the Audit Committee the written disclosures required by Independence Standard No. 1 (independence discussions with Audit Committee), and the Audit Committee discussed with the independent public accountants that firm's independence. The Audit Committee has also considered whether the independent auditors' provision of information technology and other non-audit services to the Company is compatible with the auditor's independence.

Based upon the Audit Committee's discussions with Management and the independent public accountants and the Audit Committee's review of the representation of management and the report of the independent public accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2006 filed with the Securities and Exchange Commission.

The foregoing has been approved by all members of the Audit Committee.
